

# Getting back in shape

ShapeUP™ Protein Powder

SHAPEUP™

GELITA HEALTH

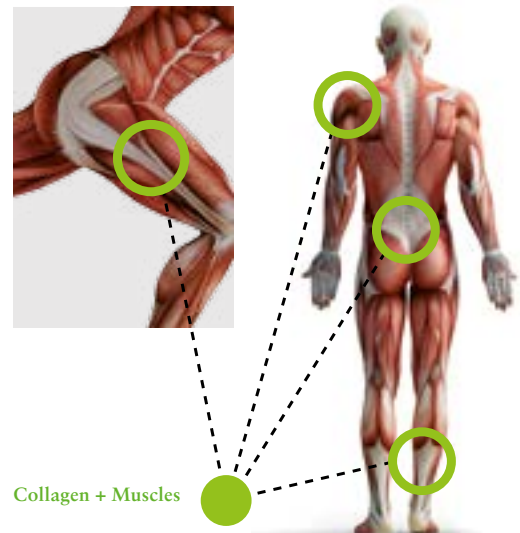

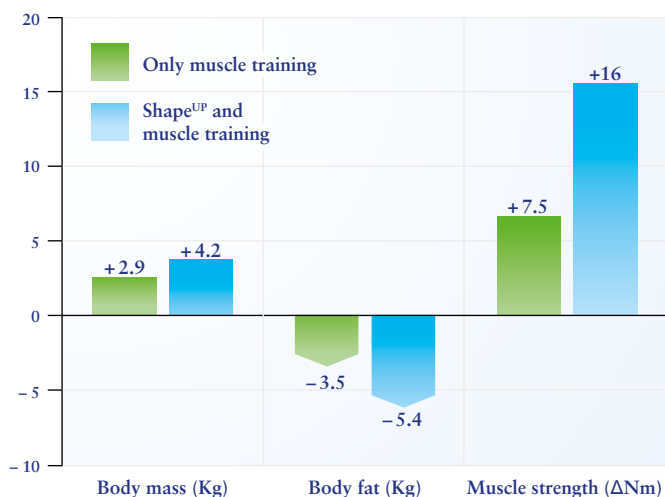

# ShapeUP™ and training reshapes the body

ShapeUP is a natural collagen protein that helps people to quickly get back in shape. It contains BODYBALANCE® – Bioactive Collagen Peptides® that are specially designed to support training effectively and help people achieve their ideal physique more quickly.

## Collagen Peptides BODYBALANCE®

- ▶ Increase lean body mass
- ▶ Decrease fat mass
- ▶ Increase muscle strength

### With ShapeUP and training you can reshape your body

ShapeUP consists exclusively of valuable collagen protein of the highest quality and purity. ShapeUP is proven to support muscle building and helps reduce body fat. It is therefore the perfect supplement for power training.

Zdzieblik et al. (2015) British Journal of Nutrition
